

HYBRID WOOD PROTECTOR

QUALITATIVE AND HIGHLY RATED ALL-ROUNDER!

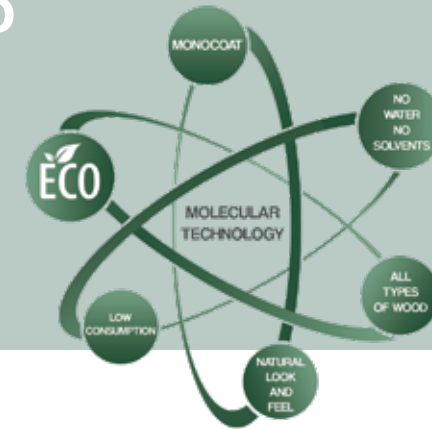

The unique characteristics of RMC Hybrid Wood Protector

- Based on RMC technology using integrated UV stabilizer.*
- Easy to apply: no overlaps, fast-drying.
- Economical: 1-layer application, minimum consumption.
- Eco-friendly: no solvents, water or Volatile Organic Compounds (VOCs).
- Universal: suitable for all types of wood, inside and outside.
- Aesthetic: Over 20 standard colours with the ability to mix each to any combination.

RUBIO MONOCOAT HYBRID WOOD PROTECTOR

DURABLE AND DECORATIVE OIL FOR EXTERIOR WOOD

GREEN

RMC Hybrid Wood Protector is plant based. Moreover, it contains no water, no formaldehyde or Volatile Organic Compounds at all! Safe during application, safe for your environment!

SMART

This oil is based on a revolutionary technology: molecular bonding. This means that you only have to apply one single layer. No overlaps, no starting marks.

EFFICIENT

With one litre of our product, you can treat up to 500 SF of decking wood. Due to its molecular bonding with the upper fibres of the wood, there's no need for a second coat. Extra drying times and sanding between different coats belong to the past!

EASY

This product is suited for all wood types. Refreshment of colour and protection with the same product. No need for sanding!

MIX & MATCH
OVER 20 STANDARD COLOURS OPTIONS!
CONTEMPORARY AND MODERN LOOKS
THAT CAN ALSO BE MIXED!

The colours shown are for reference only and are not binding.

*The color Pure does not contain integrated UV stabilizer.

PROTECTS AND COLOURS YOUR WOOD IN ONE SINGLE LAYER

MUYLLE-FACON
A PASSION FOR WOOD TREATMENT SINCE 1962

Muylle Facon was founded in 1906 as a manufacturer of high-quality putty and is now an important producer of waterproof products, coatings and sealers, impermeable and impervious to water, and other specialties for buildings.

It's first range of wood treatment products was launched in 1962:

Teintécire: Waterbased colorstain with warm colors, which provides a nice gloss and antique look.

Ciraneuf: Liquid or solid beeswax, turpentine based.

Boizaneuf: Paint remover.

The close collaboration between the laboratory, the sales-team and the applicators has resulted in the development of the unique *Rubio* MONOCOAT range.

*Based on test method CMA/3/E

Rubio is a Registered Trademark of Muylle-Facon.
